## ¿What is it?

“Biblioniu” are free book exchange stalls with the motto “Leave a book and pick up another one”, that aim to promote and enjoy reading. In these stalls you can leave a book and pick up another book that may interest you.

## ¿How does it work?

You can take A **MAXIMUM OF TWO BOOKS**. You must pick up the same number of books that you leave.

## Rules

**Books must be in good condition and “BIBLIONIU” MUST NOT BE USED AS A GARBAGE DUMP.**

Anyone is free to choose one of the books that are kept in it and can take it home. Once read, the user has two possibilities:

Either keep the book or return it to ‘Biblioniu’ so that someone else can enjoy it. There is only one condition, which is that if you take a book, you must leave another one there.

The aim of this system is to make it easier for books that have already been read to circulate and thus promote reading, the culture of exchange and the reuse of objects.
